by Rebecca Holmes

Created to celebrate International Beading Week (IBW) 2021, the finished sample is intended to be a bookmark, but can also be utilised as anything else you wish it to be.

This chart can be worked in Brick or Peyote stitch. Basic instructions for both stitches including notes on how to increase and decrease, can be found by clicking on the ['Basic stitch instructions'](#) tab under Education on The Beadworkers Guild website: [www.beadworkersguild.com](http://www.beadworkersguild.com)
