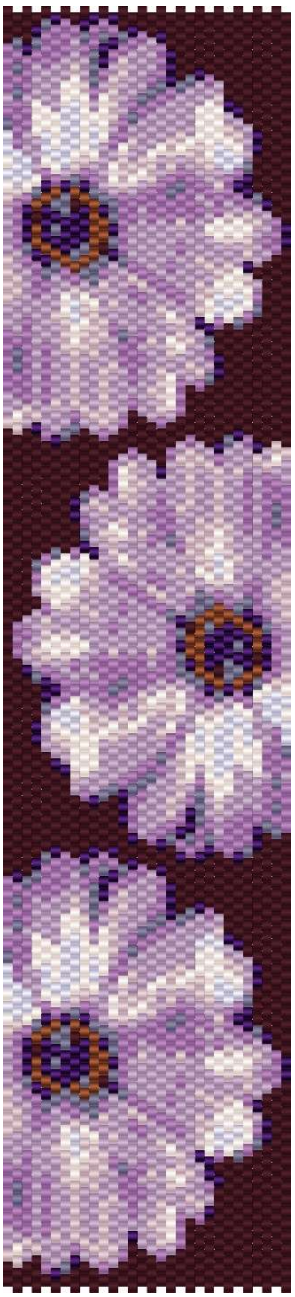
Hello!



Thank you very much for purchasing this pattern.

I hope you will find it easy to work with and the result will make you happy.

If you find a bug or have any comments - please contact me.
I want each of my clients to be satisfied and want to come back to me.

In this manual you will find:

1	Parameters of the bracelet from the photo
2	Colors and amount of beads
3	Three kinds of pattern
4	Pattern mask
5	JPG file
6	Word chart

The beauty of creating is in freedom, inspiration and variety,
so the bracelet can also be stitched with other cylindrical beads (eg. TOHO Treasure) or rounded (seed beads) or even in different colors.

I created this bracelet so that it can be easily adjusted to the size of your wrist.
If you want, you can naturally shorten or lengthen it by several rows,
symmetrically at the bottom and top.

I reserve the rights to this pattern and all files and photos included in the offer.
Do not copy or distribute them without my permission.
You can use the made bracelet for non-mass sale or present its photos to the public.
I will be grateful for marking me as the creator.

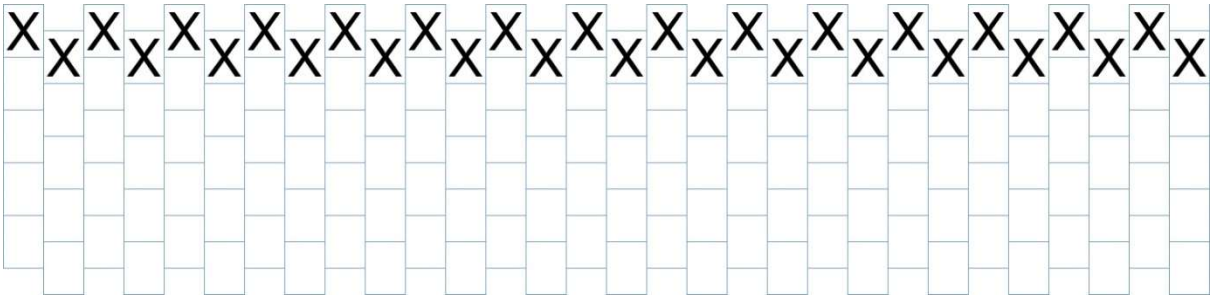
4 Pattern mask

If you decide to print one of the above patterns and work on a printout rather than a digital version, below you have the so-called pattern mask.
All you have to do is print out this page, cut out the mask and put it on the pattern sheet.
This way you will not mistake stitched rows with those not stitched yet.



5 JPG file

You also have a separate .jpg file attached to this pattern.
Useful if you prefer to stitch from the digital version.

I like to open it e.g. in Paint and cross out each beaded row.
