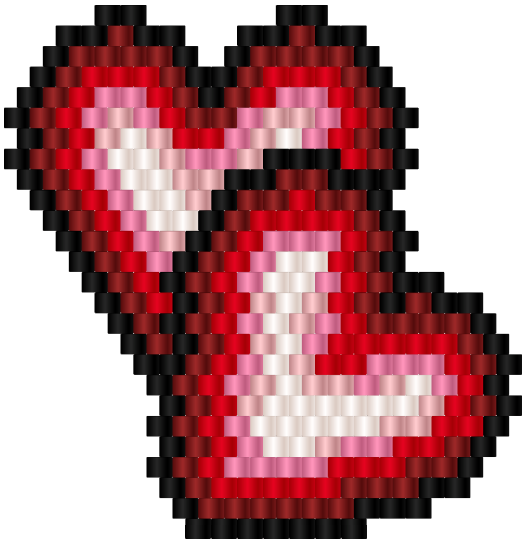
Hello!

Thank you very much for purchasing this pattern.

I hope you will find it easy to work with and the result will make you happy.

If you find a bug or have any comments - please contact me.
I want each of my clients to be satisfied and want to come back to me.



In this manual you will find:

1	Parameters of the earrings from the photo
2	Colors and amount of beads
3	Three kinds of pattern

The beauty of creating is in freedom, inspiration and variety, so these earrings can also be stitched with other cylindrical (eg. TOHO Treasure) or rounded beads (seed beads) and with different colors.

4 JPG file

You also have a separate .jpg file attached to this pattern.
Useful if you prefer to stitch from the digital version.

I like to open it e.g. in Paint and cross out each beaded row.

5 Additional tips

I suggest you start with row 3. This row is wider than 1 and 2, so it will be easier to start here. When you'll finish row 4 you can weave your thread down, stitch row 2 and 1, and weave up again to stitch rows 5, 6 and so on.
