

Hookin' to the Beat – 3D Peyote Star – Woven Ribbons No. 5

The number of beads to be used for any particular colour will be shown in the box for that colour together with the letter (ie 2A, 4G, etc.)

However, where a number/letter combo is shown in brackets such as (4A) or (2A), this indicates that the beads should be woven together such as in the base round or in corner herringbone stitches.

Knowledge of how to make warped squares and 3D Peyote Stars is assumed

Please note that this particular pattern belongs to Hookin' to the Beat and, as such, should not be used except for your own personal use. You may sell the items you make from this pattern, but not the pattern itself!
