Hookin' to the Beat – 3D Peyote Pod – Stethoscope

The number of beads to be used for any particular colour will be shown in the box for that colour together with the letter (ie 2A, 4G, etc.)

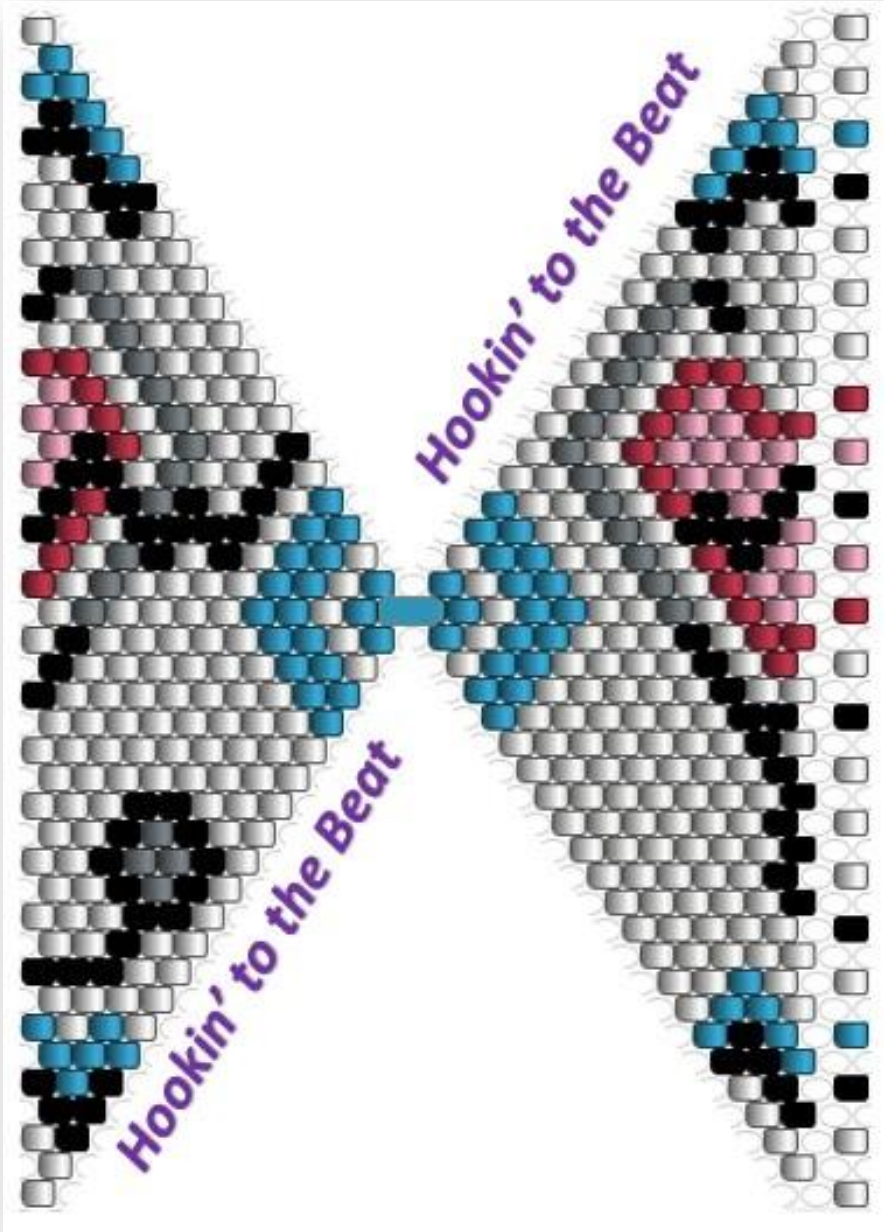

However, where a number/letter combo is shown in brackets such as (4A) or (2A), this indicates that the beads should be woven together such as in the base round or in corner herringbone stitches.
